Special Recreation Permit (SRP) Notice July 17, 2007

Superstition Open Area continues to become more popular each season with OHV traffic and permitted vending. The BLM Rangers have noted the traffic congestion and overspill of parked OHV's and vendors on Wheeler Road. Past vendor setup locations along Wheeler Road have been extremely unsafe for on-coming traffic, OHV riders, and vendors. Due to the severity of this safety hazard, the BLM is **requiring** that all vendors set up their business a minimum of 50 feet from Wheeler Road.

Update: Vending Location Stipulation #60 in FY07-08 Vendor Packet

Vending **will not be permitted** 100 yards in any direction from the kiosk located at the curve on Wheeler Road at mile marker 6. The area will be signed off as "no vending" and is effective beginning October 1, 2007.
